| <ul style="list-style-type: none"> - Teachers explain all of the work to you until you get it. - Teachers make lessons really fun and exciting for us. - We do triple I to improve our work and get better in all subjects. - I like that (by most teachers) we are treated as equals because otherwise we'd be talked down to and I don't like that. - Plateau as it has 2 netball hoops, an amphitheatre and enough space to run around in. - I like that we can research subjects and use computers and technology to help us. - Teachers listen to me and when I was upset Mrs Foreman helped me to stay calm. - Learning languages and religions. - Lessons as we have a fair amount of time for all subjects. - Woodland as we have a place to make dens and space to make things with natural materials. - Teachers are friendly and kind. - Our teachers because they help me when I don't understand things. - I enjoy the topics as they are interesting and I really enjoy how much I learn. | | |

Things I would like to change about our school to make it even better

- | | | |
|---|---|--|
| <ul style="list-style-type: none"> - Use the woodland more often. X 10 - More clubs like hockey, woodland, gardening, boxing, cooking, lego, acting, film and skating X 6 - Improve how comfortable our uniform is. X 3 - Our own pencil cases as we easily lose them but they'd be safe in a pencil case. X 2 - Play more football - Encourage children to work more independently. X 2 - Girls should be allowed to wear nail varnish as it's not a health and safety hazard. X 2 - Look after our pond more - Eco team - clean out every 6 months - with assistance X 2 - | <ul style="list-style-type: none"> - The care of the outdoor environment as it would make the school more presentable. X 2 - School dinners - we need more gluten free choices. - Change the way some children behave. - School water bottles - we should have our own as the school ones break. - Getting more rewards like house points, certificates and extra break. - Get a reward for neat work - Squirrels should have swimming lessons too. - More cooking lessons - More science homework - More art | <ul style="list-style-type: none"> - Choose the groups that we would like to be in. - Get to sit next to people we want to. - Make playtime better. - Change of pen because they keep producing massive ink splashes and it spoils my work. - Girls should be allowed to wear earrings - whatever colours they want. - Work in groups more |
| <ul style="list-style-type: none"> - Interacting with other classes more. - Clubs should be more accessible football and homework clubs are on the same day and we can't access both. - Get people to join other friendship groups because some people on the playground don't have many friends. - The attendance certificates as it's not fair on the children who have tried their best to come into school. - A worry leadership group - you can go to them if you have any worries. - Bigger cloakroom as in ours there is lots of silliness and a few injuries as it is very small and cramped. - I would like there to be blazers in our uniform as I think it looks a lot smarter and professional. - I would like there to be an award for academic achievements as although we have the Effort Cup it is not necessarily about academic things such as full marks on tests or Greater Depth in a subject. - During E-safety week have an after school arcade - learn pads and computers with different games on them and have adult supervision with a snack bar. - An animal area in the woods. - Have school hats in the summer and school hats and scarves in the winter. - Choosing and voting topics to learn about. | | |
