Respect, Caring, Friendship, Honesty, Forgiveness and Responsibility*

DREAM, BELIEVE, ACHIEVE AT FAWKHAM CEP SCHOOL

Primary Schools Sport Premium

Academic Years 2013 – 2020

Background

As part of the Government’s determination to secure an enduring legacy from the London 2012 Olympic and Paralympic Games, the Prime Minister declared that £300 million worth of funding was to be allocated to primary schools for the two academic years 2013 – 2014 and 2014 – 2015 this has been extended and the government hope that this will continue until 2020. It was then announced that schools will receive double the funding from the academic year 2017 – 2018 this was repeated again last year 2018 – 2019 and will be again this year 2019 - 2020.

Fawkham CEP School received £5147 during the 2013 – 2014 academic year, we received a further sum of £6743 in 2014 - 2015, then in 2015 - 2016 we received £4932. In 2016 – 2017 we received £8455, 2017– 2018 we received £13,370. Last academic year we received £13,370 This academic year we will be receiving again £13,370. So to date we have received £65,387. This money is ring-fenced and can only be spent on the provision of PE and sport at Fawkham. Naturally we have and continue to think carefully about how we were/are going to spend the money, obviously we are accountable for the expenditure; this includes monitoring the impact that the extra money has on pupil’s progress, their participation in sport and PE and their health and general well-being.

Since September 2013, our sports leaders, the staff and I have been planning and implementing a whole range of strategies to ensure that we are fully meeting our pupils’ needs. Our overall aim is to improve the quality, provision and sustainability of PE and sport at Fawkham.

Expenditure

See Previous Expenditure from previous PE and Sports Statement
--

2019 – 2020 Expenditure so far	SPORTS Premium Financial Year 2019 - 2020 £16,880

- Roots to Food Gala Dinner – Years 5 and 6 – 12th June 2020
- We are looking into the possibility of having a mountain bike trail being built in our 10 acre woodland and having a mountain bike riding club led by qualified instructors.
- To continue to implement all of the aforementioned activities.
- We are going to engage in friendly netball and football matches within our Longfield collaboration of schools throughout the academic year
- Ongoing training of play leaders from our Year 1 to Year 6 cohorts with our PE Staff Play Leader – fortnightly team meetings.

Impact and the effect on pupils PE and Sports participation and attainment and sustainability

Swimming Achievement at the end of Year 6		
Academic Year	Number of children in Year 6	% of children who meet all of the NC requirements for swimming
2017 - 2018	14	93%
2018 - 2019	15	87%

- Raise the profile of PE and sport with all stakeholders in the school – pupils know that PE and sport is very important in order for them to have a healthy lifestyle and be fit and healthy.
- Increased child participation in clubs and sporting activities
- Access to different sports and the opportunity to compete in a fun environment
- Access to more competitions for pupils and also allows the more talented children to compete at a higher level
- Increased links with other schools and partners.
- Pupil concentration, commitment, self esteem and behaviour enhanced
- Newsletters informing the school's community of what is taking place through PE and Sport both within and outside of the school
- PE subject plan and policy
- Use of Sports Board in the school hall celebrated our sports involvement
- Positive behaviour and sense of fair play enhanced
- Good citizenship enhanced
- Enhanced, inclusive provision for all children
- Improved standards of attainment for all children
- Positive attitudes to health and wellbeing
- Positive impact on whole school improvement
- Increased pupil participation
- Positive attitudes to PE, health and well being
- More confident and competent staff including increased knowledge and understanding therefore enhanced teaching and learning
- Improved standards of teaching specific activities.
- Increased capacity and sustainability for PE
- Ensuring strong, sustainable effective links to the 2012 Games Legacy and the Olympic and Paralympic Values

We are very proud that we have the Sainsbury's School Games Bronze award.

Report produced by Miss M J Bridges (Headteacher)
