Hedgehogs Class Weekly Bulletin
Autumn Term 1 Week 8

Key information for next week	
Monday	• Education Visit to Shorne Woods Country Park DA12 3HD. Please drop off your child at the main entrance at 9:30am and pick them up at 2:30pm. Remember to dress your child for the weather and to bring a packed lunch.
Tuesday	• Fancy Dress Disco 4:30-5:30pm – book on ParentMail by midday Monday
Wednesday	• Orange homework books to be returned. Red homework books to go home. Maths work taught this week and spellings from this week's phonics tailored for each year group.
Thursday	
Friday	• Last day of Term 1 • Little Wandle books issued today. These will be the books they have read this week in class. Please record the 5 other books you have read during the week in your reading record. • Outdoor PE – **Please come to school wearing your PE Kits.** • Buddies *Read Together* afternoon (in school time)

Long Hair:

In response to parent feedback, as from Monday there is no longer the expectation that children with long hair must have it tied back. Hair will only need to be tied back for PE lessons, so please ensure it is tied back on those days or your child has a hairband to do this themselves. The school cannot provide hairbands for this reason.

NEXT WEEK'S LEARNING:

Subject	Overview
English	We will continue the book called 'Ravi's Roar'. We will finish off our diary entries in the point of view of Ravi. They will also look at how to edit and uplevel their writing. At the end of the week we will recap a range of grammatical skills. 
Maths	Both Year 1 and Year 2 will continue their new unit on **Addition and Subtraction.** Year 1 will look at finding parts within subtraction and fact families. Year 2 will look and adding and subtracting across a 10.
Phonics	Year 1 will continue to review their sounds from **Phase 5**. Looking at the tricky *your, people, their, oh, Mr, Mrs and Ms.* Year 2 will continue 'Bridge to Spelling' where they will learn the foundational skills of spelling.
RE	We will finish our new unit on Creation. We will look at how Christians say thank you to God and share questions we may have about the world that we live in. 
Geography	We will finish our unit on our local park by going to Shorne Woods park to collect data on the human and physical features at the park. We will then present this data through tally charts and graphs.
